## ANTI-THEFT PC SECURITY STAND

An All-in-One security station for small form factor PC's and LCD Monitor

**MODEL CP-500** Anti-Theft Security Stand is a perfect solution for educational and corporate organizations who need to keep PC hardware safe from theft and general damage.

- A strong, single unit designed to secure both small form factor PC's and a flat panel display in a small desktop footprint. (*Requires installing screws into worksurface*).
- Ability to tilt LCD 15° up or 30° down, depending upon the monitor size / style.
- Designed for stability, security & professional look.
- Support bracket allows for full ventilation.
- Specialty keyed or standard hardware can be used to secure the base unit to the desktop.
- Fits 14" - 22" widescreen monitors with standard VESA mounting hole pattern (75 or 100mm).
- Fits small form factor PC's:
  - 10-1/2" - 15" Wide
  - 11" - 18" Deep
  - 4" High
- Specialty keyed security hardware is used to prevent theft, tampering & unauthorized access.  
(*Optional security key is NOT included*)

An absolute  
must-have  
for educational  
and corporate  
organizations
