Lista Workspace Solutions

Lista Workspace Solutions Keep Dental Lab Owners Smiling

Productivity. Ergonomics. Modularity. Ease of installation. These are the qualities dental lab owners value in their lab furnishings, along with a wide range of solutions and accessories. Even more important are workstations and storage products that can grow and change with their business. Lista understands the needs of dental labs, and offers an extensive range of solutions for every area of a lab: technicians' areas, manufacturing/assembly, plaster areas, metal shops, ceramic/porcelain areas, mail rooms, supply rooms, computer rooms and shipping and administrative areas. Discover why Lista products are the solution of choice for a growing number of dental labs.

No Matter The Facility's Shape or Size, More Dental Labs are Turning to Lista

Lista storage cabinets, workbenches and wide range of Arlink® 8000 dental workstations can equip your lab with the exact furnishings that best meet your needs. And our extensive selection of task-specific accessories means that your lab will have precisely what you need to maximize productivity. With our wide variety of shelving and storage, vacuum/suction mounting accessories, dust collector drawers, waste drawers, instrument drawers, document holders and computing support accessories, Lista is your one-stop shop for all your lab furnishing needs.

Free Custom Design from Lista

Lista's engineering and design team is ready to provide you with a detailed plan for your individual workspace and storage needs, free of charge. We offer solutions that are designed for maximum efficiency and future flexibility, optimizing space and profitability.

- **Floorspace utilization analysis.** We can prepare plan and elevation CAD drawings for a grouping of products, or entire room-sized solutions.
- **Customized surveys and layouts.** Lista experts will survey your current and future storage and workspace needs, and propose solutions that provide the highest density and greatest productivity.
- **Integration with architectural and construction planning.** Rely on our experience with coordinating with architectural and construction professionals at any stage of a project's development.
- **Price quotes.** We are happy to provide free estimates and price quotes for any project, regardless of size.
