WORKPLACE SOLUTIONS FOR ALL INDUSTRIES

Our corporate mission: Assist our customers to find viable, competitive, quality solutions for workplace issues. This line sheet will briefly detail our product selection.

Only industrial quality products are represented here. Total customer satisfaction is our primary goal backed by the best warranties in the industry.

Since 1988, Custom Products & Services, Inc. has been providing solutions for customers from many different industries including; industrial & medical manufacturing, aerospace, government institutions, schools & universities, biotech labs and many others.

In addition to standard off-the-shelf products, we also provide custom designed solutions when the application requires it. From design through on-site installation, we are here to help. In addition, we are continually striving to expand our capabilities to further serve each and every customer.

For more information regarding any of our products or services, please contact our customer service department @ 888-444-1202 (toll free in U.S. and Canada) or 651-452-0113. Detailed, comprehensive product information is available on our website.
